## **CONFIDENTIAL JUROR QUESTIONNAIRE**

### **General Instructions**

This questionnaire is designed to help simplify and expedite the jury selection process. Although some of the questions may appear to be of a personal nature, please understand that the Court and the parties must learn enough information about each juror's background and experiences to select a fair and impartial jury.

The purpose of this questionnaire is to provide guidance to the attorneys and the judge in deciding which jurors are best suited to serve on this particular case. Your names and identifying information will not be made a matter of public record. Please answer the questions as honestly and completely as possible. There are no "right" or "wrong" answers; there are only truthful answers. It is important that you are completely candid as to your actual views and feelings. It is also important that your answers to the questionnaire be yours and yours alone. Do not discuss the questionnaire or your answers with anyone, including your family, court personnel and, especially, other prospective jurors. If you do not understand a question, say so on the questionnaire. If a question touches on an especially personal or sensitive matter, please answer "private" and you will be given the opportunity to discuss the matter in private at a later time. There are extra pages at the back if you need more space to answer a question. After reading your questionnaire, Judge Townes may personally interview you in the presence of the lawyers, and give you the opportunity to discuss your answers.

Do not write on the back of any page, only the front pages will be copied. If you need additional space to complete an answer, go to the blank pages at the back of the questionnaire, indicate the number of the question, and continue your answer.

Please answer each question by placing a check next to the correct response or by providing the information requested. Please try to write as legibly as possible. Do not discuss the questionnaire or your answers with your fellow jurors or anyone else.

JUROR # \_\_\_\_\_

**PRELIMINARY INSTRUCTIONS**

You must give true and complete answers to all questions. Your responses will be kept confidential. Do not discuss the questions or answers with anyone, including your fellow jurors.

The defendants, Ali Yasin Ahmed, Madhi Hashi and Mohamed Yusuf, have been charged with crimes relating to supporting a designated foreign terrorist organization. Specifically, each defendant is charged with conspiracy to provide material support and resources to a foreign terrorist organization, namely al-Shabaab, in violation of Title 18, United States Code, Section 2339B; providing material support and resources to al-Shabaab, in violation of Title 18, United States Code, Section 2339B; attempting to provide material support and resources to al-Shabaab in violation of Title 18, United States Code, Section 2339B; receiving military-type training from al-Shabaab in violation of Title 18, United States Code, Section 2339D; and the unlawful use of firearms in connection with one or more crimes of violence, specifically, the crimes charged above, in violation of Title 18, United States Code, Section 924(c).

The defendants have pleaded not guilty and are presumed to be innocent of these charges.

**The Nature of an Indictment**

An indictment is merely an accusation. It is proof of nothing. You may draw no inference against any defendant from the fact that he has been indicted. Each defendant has pleaded “not guilty” to each of the charges against him and is presumed to be innocent.

JUROR # \_\_\_\_\_

A defendant does not have to prove anything. The government bears the burden of proving the guilt of a defendant beyond a reasonable doubt.

JUROR # \_\_\_\_\_

Potential for Hardship

The Court and the parties estimate that the trial in this case will last approximately four weeks. Jury service is one of the highest duties and privileges of a citizen. The participation of people like you is essential to the proper administration of justice. The Court recognizes that not everyone can serve on a case of this length. However, mere inconvenience or the usual financial hardships of jury service will not be enough to excuse you. You must show that service in this case would cause an unacceptable amount of personal hardship.

Would you have a serious hardship if chosen for this case?

\_\_\_\_\_ **YES**, I would have a serious hardship if chosen for this case. Please answer the questions below, and fully explain your hardship. You must still complete the entire questionnaire.

\_\_\_\_\_ **NO**, I would not have a serious hardship if chosen for this case. Please move onto the next section of the questionnaire.

Please explain the hardship and list your current occupation. If you are retired or unemployed, please indicate that fact and list your previous occupation.

**CONFIDENTIAL JUROR QUESTIONNAIRE**

Please write legibly.

1. Defendants charged in criminal cases are presumed innocent and cannot be found guilty unless the jury, unanimously and based solely on the evidenced presented in this courtroom, decides that the guilt of each defendant has been proven beyond a reasonable doubt. Do you agree or disagree with these legal principles? Please explain.

---

---

---

2. The burden of proving guilt beyond a reasonable doubt as to each of these defendants rests entirely with the government. A defendant has no burden to prove his innocence. Do you agree or disagree with this legal principle? Please explain.

---

---

---
